Dear ASCHP member,

Important notice regarding the NLRD

Please take a few minutes to read this content.

Most of you know by now that the National Learners` Records Database (NLRD) is the management information system of the National Qualifications Framework (NQF). This database holds records of education and training as well as a name list of the bona fide members of the ASCHP. The NLRD is updated annually which means that the ASCHP office has to submit an up-to-date list of compliant members in good standing and their registered designations. The NLRD provides the confirmation that you as a member has the right to practice under a specific designation.
Accordingly, the public can use this to verify your status as counsellor.

The next annual upload on the NLRD at the ASCHP office is due to take place on 22 May 2024. This is a friendly reminder to make sure that you do qualify for upload in terms of membership renewal fee. In the case where a member may be uncertain, please send an e-mail to the offices to determine if you are listed. You do not want to miss the opportunity to be uploaded for the 2024/2025 cycle.

Kindly deposit the member fee into the account below and email the proof of payment to frans@aschp.net
