

CPD TRAINING

SPECIAL CPD CIRCULAR – MARCH 2024

Please note that completing your CPD's are compulsory.

CPD training is often undervalued for its worth, for it is really the hallmark of professionalism. It builds capacity in the field of expertise beyond initial academic training and furthermore the CPD process helps the counsellor manage their own progress on an ongoing basis to enhance professional development and contribute to occupational specialization. If we understand CPD correctly it will help the member adopt a positive attitude and feel gratitude for being able to participate in such a process which has the following key features:

- It is a self-directed process that ought to be driven and activated by you, not the professional body
- Set goals and objectives of the expertise you aspire to achieve.
- Requires you to engage in reflective learning and review of your knowledge or experience base and competencies.

From the side of the ASCHP, CCSA and NHA we work to help you achieve these accomplishments by ensuring that:

- We make quality and stimulating topics available to you
- Cover the entire spectrum of counselling services
- Provide for counsellors on various levels of seniority
- Develop expertise to improve the marketing value of counselling services
- Recruit credentialed CPD providers that can offer quality training aligned to scope of practice
- Establish online platforms and pursue other avenues to make CPD development more accessible, affordable and convenient to complete.

We request that all members kindly ensure that their CPD points are up to date as we are busy with an audit.

Note that the previous years (your initial registration date) must also be up to date. If you are unsure on how many CPD points you still need to remain compliant, kindly contact Elsie at cpd.riedani@synergetica.co.za. Non-compliance will result in the ASCHP having to take further steps.
