Subject: Urgent: CPD Compliance Audit and SAQA Review

Dear ASCHP Member

I hope this email finds you well.

The Association for Supportive Counsellors and Holistic Practitioners (ASCHP) is currently conducting a Continuing Professional Development (CPD) compliance audit for all members to ensure that CPD records are up to date. This audit is essential to maintaining the highest professional standards and ensuring that all members continue to meet the necessary requirements for practice.

Additionally, ASCHP is preparing for its annual South African Qualifications Authority (SAQA) review. As per SAQA's Rules for Recognised Professional Bodies, failure to comply with CPD requirements may lead to the removal of non-compliant members from the professional register.

We urge all members who have not yet updated their CPD records to do so as soon as possible to avoid any risk of deregistration. Maintaining your CPD compliance is not only a regulatory requirement but also a professional obligation that ensures ongoing development and competency in the field of supportive counselling and holistic practice.

To check your CPD status and submit outstanding CPD activities, please contact our CPD administration team at cpd.liedani@synergetica.co.za for assistance.

We appreciate your prompt attention to this matter and thank you for your continued commitment to professional growth and excellence.

Regards
Dr Liezl Herholdt
ASCHP CEO
