Reminder to do your compulsory CPD's for 2024

CPD training is often undervalued for its worth, for it is really the hallmark of professionalism. It builds capacity in the field of expertise beyond initial academic training and furthermore the CPD process helps the counsellor manage their own progress on an ongoing basis to enhance professional development and contribute to occupational specialization.

If we understand CPD correctly it will help the member adopt a positive attitude and feel gratitude for being able to participate in such a process which has the following key features:

- It is a self-directed process that ought to be driven and activated by you, not the professional body
- Set goals and objectives of the expertise you aspire to achieve.
- Requires you to engage in reflective learning and review of your knowledge or experience base and competencies.

From the side of the ASCHP we work to help you achieve these accomplishments by ensuring that:

- We make quality and stimulating topics available to you
- Cover the entire spectrum of counselling services
- Provide for counsellors on various levels of seniority
- Develop expertise to improve the marketing value of counselling services
- Recruit credentialed CPD providers that can offer quality training aligned to scope of practice
- Establish online platforms and pursue other avenues to make CPD development more accessible, affordable and convenient to complete.

As we are already in April, this serves as reminder to do your 2024 CPD's.

Remember, that regardless of your registration date, a CPD year runs from January to December each year.

If you have any questions, please contact Elsie at cpd.liedani@synergetica.co.za
