Dear ASCHP Member,

In Loving Memory of Dr. Joyce Schoeman

It is with deep sorrow and a heavy heart that we share the passing of Dr. Joyce Schoeman, a respected colleague, director, dedicated professional, and a beacon of compassion within our wellness community.

Dr. Schoeman was not only a skilled and knowledgeable practitioner in the field of complementary and alternative health but a fierce advocate for integrated healing and the ethical upliftment of our profession. Her unwavering passion for serving others, her calm strength, and her deep commitment to mind-body healing inspired so many of us. She led with grace, guided with wisdom, and touched the lives of countless individuals through her work, mentorship, and example.

As a valued member of the ASCHP community, Dr. Schoeman's contributions were both profound and far-reaching. She championed holistic approaches to care, believing deeply in the human capacity to heal through connection, compassion, and truth. Her legacy is one of integrity, purpose, and love.

To us, she was more than a colleague - she was family. Our thoughts and heartfelt condolences go out to her family, friends, clients, and all those who had the privilege of knowing her. In honouring her memory, may we continue the work she so passionately believed in - to heal, uplift, and walk gently alongside those we serve.

Rest in peace, Dr. Joyce. Your light lives on in the hearts and hands of those you've touched.
